The image shows the login interface of the ChineseRd mobile application. The screen has a light blue background. At the top left is the ChineseRd logo, followed by the text "你好! 歡迎來到 ChineseRd". Below this are two buttons: "個人賬戶登錄" (Personal Account Login) and "學校賬戶登錄" (School Account Login). The main login area contains three input fields: "請輸入學校編號" (Please enter school number) with a house icon, "請輸入登入編號" (Please enter login number) with a person icon, and "請輸入密碼" (Please enter password) with a lock icon. The first field contains the value "27788061". Below the input fields is a blue "登入" (Login) button. Annotations with arrows point to these elements: "輸入27788061" points to the school number field, "輸入學生戶口名稱 (例子 : hcs221520)" points to the login number field, "輸入戶口密碼" points to the password field, and "按 [登入]" points to the login button. A red box highlights the entire login section. At the bottom, there is a small text: "*如有問題, 請聯繫學校諮詢".
